Message from the Association President --

In November 1941, the first class of interpreters and translators in the Japanese language was graduated from the Military Intelligence Service Language School (MISLS) which was then located here at the Presidio of San Francisco. This class was almost in its entirety comprised of Nisei servicemen who, upon graduation, served with distinction during World War II, primarily in the Pacific theater of operations. Now, exactly 30 years later, we of the Military Intelligence Service Association of Northern California are gathered here with other comrades and friends, in sight of the Peace Pagoda and within a stone's throw of the birthplace of MISLS to pay tribute to those men who, despite the intense atmosphere of bigotry, hate and prejudices which then surrounded Americans of Japanese ancestry, willingly accepted the call to arms and, alongside United States infantry troops and battle-wise marines, gallantly engaged fanatical enemy forces on almost every major field of battle. It is indeed extremely unfortunate and regrettable that much of their exploits and contributions to America's war effort may not, for reasons of national security, be publicly known for generations to come.

As President of the M. I. S. Association of Northern California, I salute those of you who were members of the first graduating class and your successors who have come to join us in observing the 30th Anniversary of MISLS. It is my distinct pleasure to also welcome all other former M.I.S. veterans and their friends who have accepted our invitation to participate in this historic occasion. I sincerely hope that this 30th Anniversary Reunion will prove to be most memorable and enjoyable to all of you.

M. I. S. ASSOCIATION HISTORICAL EVENTS

GENERAL - The following data is recorded in concise format and is intended only to assure that the more significant events in the "life" of the M. I. S. Association of Northern California are made a matter of record and for use by any future historian who may be interested in compiling a complete history of MISLS members and their activities. The editor does not presume that literary skill would be employed in this instance.

EVENTS -

April 1970: A general meeting was held on April 26 at the Suehiro Restaurant, Japan Center, San Francisco for the purpose of formally organizing the M. I. S. Association of Northern California. The pro-tem officers of the Steering Committee (selected at an earlier, informal meeting) were: Tom Sakamoto, Chairman; Noby Yoshimura, Vice Chairman; John Yamauchi, Treasurer; Tad Hirota, Secretary; and, Paul Ohtaki, Editor of M. I. S. Intelligencer. The meeting was scheduled as a result of the tremendous response to a letter of inquiry regarding the feasibility and desirability of formally establishing an Association. This letter was dispatched to known former MIS members during the Fall of 1969. More than 80 members forwarded membership dues (\$5.00 per year) and many attended meetings in San Francisco, coming from distant points such as Sacramento, Watsonville, Salinas, Monterey, San Jose and Saratoga joining those residing in the immediate Bay Area. (See Vol. 1, No. 1, April 1970, M. I. S. Intelligencer)

24 May 1970: The Articles of Incorporation, authored by Shiro Tokuno, was approved and authenticated by all members present in San Francisco. Skeets Oji and Marshall Sumida, Program Committee, presented the KEEP (Kiyosato Educational Experiment Project) Fund Drive proposal which was unanimously approved.

1 - 6 July 1970: Joining official delegates Tom Kobayashi and John Shimoda at the Nisei Veterans Reunion in Los Angeles, were Akira Oshida, Noby Yoshimura and Tad Hirota. On the first night our members were entertained at the Spotlight Club and the Cherry Blossom Cocktail Lounge. The next evening over 1300 guests attended a banquet in the Los Angeles Room of the Century Plaza Hotel to hear speaker (former) L. A. County DA Evelle J. Younger. (See Vol. 1, No. 2, July 1970, The M.I.S. Intelligencer.)

September 1970: Due to an insufficient number of members interested in making the MIS Good-will trip to Japan, scheduled for October 1970, the trip was cancelled. (See Vol. 1, No. 3, September 1970, The M. I. S. Intelligencer).

19 September 1970: The newly organized M.I.S. Association of Northern California, held its first reunion dinner meeting at the Alameda Naval Air Station Officers' Club. More than 70 guests from various parts of Northern California listened to guest speaker Mike Culvert, editor of the Berkeley Gazette. Skeets Oji, Chairman of the KEEP fund raising committee reported a total of \$720.50, raised during the dinner meeting through raffle tickets, was to be sent to Dr. Paul Rusch, KEEP Director. (See Vol. 1, No. 3, September 1970, The M.I.S. Intelligencer).

19 December 1970: A Pre-holiday season social was held at the Marines Memorial Club, San Francisco. It afforded 42 MIS'rs and their guests the opportunity to celebrate the 1970 Christmas and the 1971 New Year's holidays together. Charlie and Betty Nagano gave a report on their recent trip to Japan and their attendance at the newly formed Tokyo MIS Association Inaugural Reunion at the Sanno Hotel on 23 October. (See Vol. 2, No. 1, December 1970, the M.I.S. Intelligencer).

22 May 1971: Election of new officers was held in the Anza Room, Presidio Officers' Club in San Francisco. Tad Hirota was elected President. Membership on the Board of Directors was increased from 21 to 27, and 2 new Vice Presidential positions were established. (See Vol. 2, No. 2, April 1971, the M.I.S. Intelligencer).

31 May 1971: Tad Hirota, Tom Kobayashi, Paul Ohtaki, and William Nakatani represented the Association at Memorial Day Services at the Golden Gate National Cemetery in San Bruno. M.I.S. Intelligencer was dedicated to the MISLS staff at the West Coast Defense Language Institute, Presidio of Monterey, in recognition of the 30th Anniversary since the founding of MISLS. (See Vol. 2, No. 2, April - June 1971, the MIS Intelligencer).
(continued on next page)

(MIS ASSOCIATION HISTORICAL EVENTS - continued from preceding page)

June 1971: The Association Executive Committee voted to sponsor a 30th MIS Reunion to be held in San Francisco on 12 and 13 November 1971. Committee chairmen for the Reunion were appointed. New editor of the M.I.S. Intelligencer, Tom Kobayashi, with outgoing editor Paul Ohtaki appointed as Technical Advisor, were installed.

June - November 1971: A series of meetings were held during this period to finalize plans for the Reunion. Miyako Hotel adopted as Reunion Headquarters. MIXER to be held at the Nikko Sukiya Restaurant. Mike M. Masaoka accepts invitation to be keynote speaker. Decisions made to have a Ladies Fashion Show and a General Meeting to supplement the Reunion Banquet and Mixer. (See Vol. 2, No. 3, July - September 1971, the M.I.S. Intelligencer).

* "SEMPAI GUMI" (meaning "Number One") is a term coined since WWII by MISLS veterans from Hawaii and is used to identify the first group of Nisei from Hawaii organized and assigned to MISLS, Camp Savage, Minnesota, in December 1942.

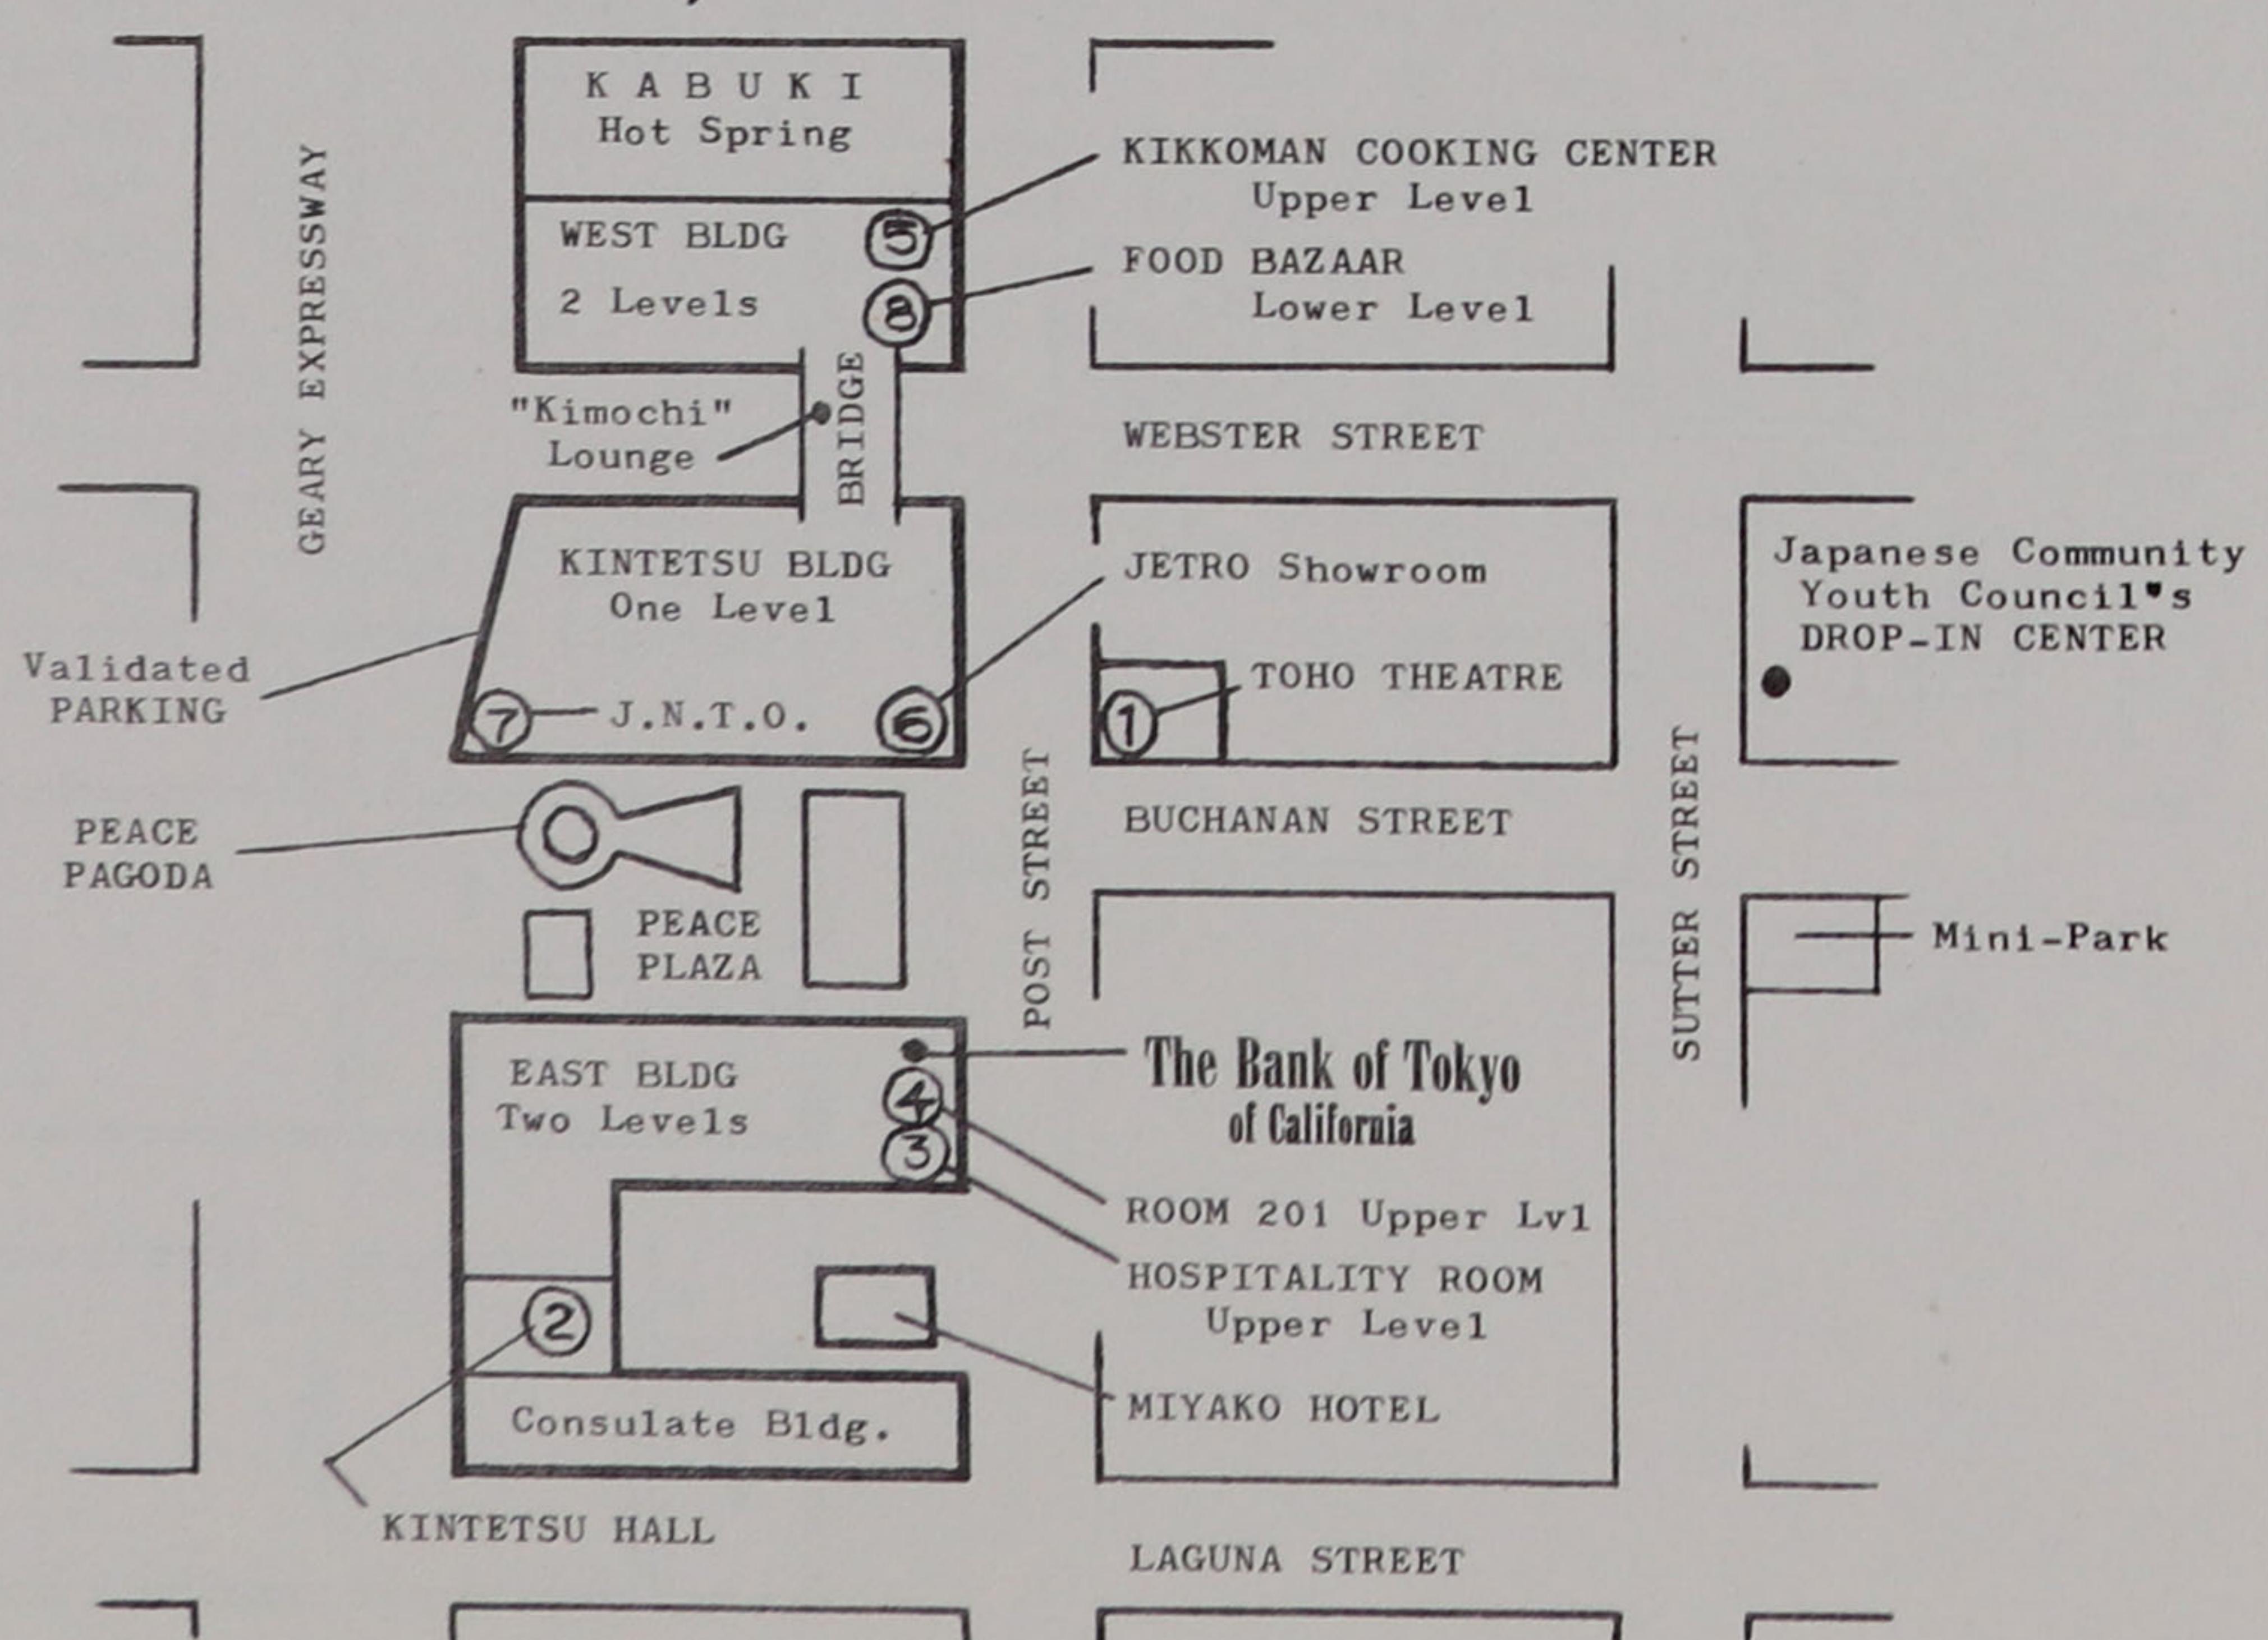

As names and addresses of mainland students assigned to this same class become known, they are added to the roster as Associates. In all, there were more than 600 students enrolled in the 1942 class. Individuals named in the above list were not all students but included instructors and other cadre personnel. Accuracy in the spelling of names has not been verified. Individuals having personal knowledge concerning members of this class and can furnish additional names and addresses or corrections to any of the above, are requested to write to the editor of the M. I. S. Intelligencer, P. O. Box 5290, San Francisco, California 94101, or to Richard Oguro

WELCOME TO SAN FRANCISCO'S JAPANESE COMMUNITY

More than 1,000 years ago, the ancient Japanese sailing ships called "Kentoshi-sen" plied the Sea of Japan and the China Sea to carry envoys and scholars to China to study the culture and religion of the Tung Dynasty.

They were long and perilous journeys in the frail wood and bamboo craft and it took weeks to sail from the islands of Japan to the massive mainland of China.

Now, over a millennium later, intrepid American astronauts in their Apollo-Saturn spacecraft speed across 250,000 miles of outer space to the moon and back in far less time than it took these ancient crafts to sail the 1200 miles across those turbulent seas of old. What giant steps man has made in travel in 1,000 years.

The artist, Shusei Nagaoka, is one of today's most brilliant illustrators. Mr. Nagaoka illustrated the Sumitomo Pavilion at Expo '70 in Osaka and his work has appeared in West Magazine of the Los Angeles Times and in Readers Digest. He makes his home in Los Angeles.
